My dear Mr. Mulholland:

To help swell our quota of Bond sales during this Fifth Drive, I was enabled to have placed in the Commercial Bank ~~one~~ (\$100.00) dollar bond for your name to be delivered to you in exchange for your Gulf Coast Development Company stock certificate number 25.

Kindly send this old certificate of yours to the Commercial Bank in Panama City, Fla. at your earliest convenience, understanding that this liquidates your entire holding in the Gulf Coast Development Company.

Sincerely,

Lillian C. West.
